

PET FRIENDLY RULES

-  The presence, exclusively, of small or medium-sized, clean and properly behaved animals is allowed. Their presence must be obligatorily communicated both at the time of booking and upon arrival.
-  When checking in, it is necessary to show up with the animal, equipped with a microchip, and with the appropriate health booklet certifying the list of vaccinations carried out. Otherwise, the management may prohibit its access.
-  Four-legged guests may transit, accompanied and on a leash, in the common areas of the hotel facility. Dogs that fall into the category of "biting dogs" must wear a muzzle.
-  It is not allowed to leave animals unattended, as well as their stay in food and beverage serving areas and restrooms is prohibited. Access to bathing areas is also not allowed. Any exceptions will also be evaluated by Management on the basis of proven needs, such as, for example, those related to "guide dogs."
-  The 4-legged guest should not be left alone in the room to avoid the occurrence of unpleasant situations for other guests. Therefore, even if only for the safety and comfort of the animal, in case of non-compliance with the above prohibition, your room cannot be tidied up by our staff so dedicated.
-  It is not permitted to have the animal on beds, armchairs, chairs, tables, either in the room or in the common areas.
-  The cleaning of animal droppings is the responsibility of the owners who must provide themselves with everything necessary for this purpose. In the event that the hotel is obliged to step-in the corresponding expenses will be charged.
-  Pet owners assume full responsibility, civil and criminal, for any damage caused by the pet to people and/or property during the stay, including under Article 2052 of the Italia Civil Code. Likewise, the owner will be responsible for the cost of repair and/or replacement of all items stained or damaged by 4-legged guests.
-  The management reserves the right to terminate the service in case of aggressive behavior or excessive disturbance of the pet.
